

TiGlass

Bespoke glass for your home and office

Welcome

At TiGlass we create beautiful decor solutions in glass for your home. We are specialists in coloured glass splashbacks for kitchens, which are available in a huge range of tones and finishes. We also create shower screens, privacy panels, bespoke mirrors and wall finishes for your bathroom or wet-room.

Splashback: Soft Pink

Wall panel: Limelight

Glass balustrade

In addition to our decor range we also produce balcony, terrace or patio glass balustrades which provide a safe, secure and striking alternative to solid walls.

Our team of skilled craftsmen use the latest technology and techniques to create and deliver a perfect solution for you and your home.

Shower Screen and Silver Mirror

Why glass? Benefits

Glass is such a versatile material for creative decor finishes. We can produce your exact needs **on time, on budget**. We use the latest technology to shape to exact specifications your panels, splashbacks and screens. Cut-outs for sockets and fixing holes are always precisely located and executed.

To ensure perfect quality assurance our expert on-site team will visit your home and take precise measurements. The team quickly return to install the finished shaped, coloured or mirrored panels, delivering excellence and ensuring quality.
